

Edmonton and district: Clear tonight and Friday. High 35, low 25. Afternoon with a few showers. Wind west 25 mph. Warmer tomorrow. Low tonight 25, high tomorrow 35, low 25, high 35. Maximum yesterday 31, overcast. Sunrise tomorrow 5:30 a.m., sunset tomorrow 7:46 p.m.

SIXTY-NINTH YEAR

ROYAL NAVY AGAIN TURNED BACK

City class cruiser London was shelled by Communist forces on the Yangtze river today along with the sloop Black Swan. The British Admiralty ordered the two ships to break off the action, with unknown casualties, and ordered up another 10,000-ton cruiser, the Belfast, from Hong Kong as reinforcement. The two new warships ran into Communist fire when they attempted to rescue the shell-shattered sloop Amethyst, badly hit by the Reds yesterday.

Home Building Program Here Now Past 500

Edmonton's homebuilding program passed the 500 mark today. Total of permits for home construction up to today was 506, their value being \$2,390,552.

This compares with 342 permits issued last year to the end of April. Value of these permits was \$2,031,600.

FOR OVER 148
Home building permits this year since 1948 passed by 164 structures and \$425,952 in value. Construction has started on this project.

J. H. Miller, Leduc, took out a permit today for \$20,000 covering erection of eight auto court cabins on 5202 103 street. Construction has started on this project.

Officials of the city architects department are expecting a rapid upswing in applications for commercial and industrial building permits.

Plans are now completed for Progress Glass Works' \$25,000 showroom and offices. They are being filed with city officials by Mr. and Mrs. J. H. Miller.

It is expected that the new plans will take out a permit in the next few days covering a \$15,000 building project in South Edmonton.

APARTMENT BLOCK
M. M. Asaly, city contractor, has submitted plans for erection of a \$20,000 16-suite apartment block at 9137 Jasper avenue. These plans will be approved within the next few days.

Burrows Motors Ltd., also has submitted plans for an extension of its plant at 106 street and Jasper avenue.

Hamlet Saved From Flames

MOOSE JAW, Sask., April 21.—(CP)—A strong westerly wind was the cause of a fire which destroyed a grain elevator here today.

The elevator was the most costly of five elevators being built in the hamlet, including the Saskatchewan Wheat Pool elevator and the Canadian National Railway elevator.

The Moose Jaw fire department and hundreds of district farmers in cars, trucks and tractors stood by as the fire broke out.

See cars standing near the elevator were moved out of the danger area.

U.S. Congressman Killed In Crash

WASHINGTON, April 21.—(AP)—Representative Robert Lewis Taylor, Jr., Democrat from Johnston, Pa., was killed last night when his private plane crashed at Albuquerque, N.M.

The plane, a C-47, was carrying 14 passengers and a pilot. The cause of the crash is not yet known.

Utilizing of Multiple Traffic Lanes Urged

Utilization of multiple traffic lanes, especially where these lanes are marked, is urged by the Edmonton Chamber of Commerce to alleviate Edmonton's traffic congestion.

Motorists are also urged to use track areas inside safety zones when the track areas are clear of street cars.

WHERE REDS ATTACKED along Yangtze yesterday in a general offensive is indicated by the shading. Communist gun forces the British sloop Amethyst ashore east of Chinkiang (A) and carried on a running battle with the destroyer Consort. Main Red objective was in area B as Nationalist officials sent an envoy to get the views of Chiang Kai-shek at Chikow (C).

Edmonton Is Declared Growing Despite Self

Edmonton could have constructed a two-way low level bridge for less than the price of the one-way structure now nearing completion, said Duncan Innes last night.

Speaking at a meeting of the Edmonton Home Builders' Association on the topic "What Are We Doing with Edmonton's Future?" Mr. Innes, vice-president of Strathcona High School, said the city council was regarding Edmonton's advancement.

Money was unnecessarily spent in an attempt to match the new Edmonton bridge with the old one, he said. "Modern construction styles should have been used."

LETHBRIDGE COMPARED
Engineering reports stated that the new bridge is 130 feet longer and eight per cent wider than the bridge here in Lethbridge.

"Edmonton is growing in spite of us," he continued, "and the city council is not keeping up with it on April 20, 1948."

OBSTACLES SAID PLACED
The city seems to place only obstacles in the way of entrance of eastern wealth and industry into Edmonton, he said.

Edmonton must be published in the national wealth categories, but this must not be left to the city council, he declared.

Lack of housing, hotel and office space are the chief retardants of progress, he said.

Mr. Innes pointed out that the greatest hindrance to housing comes from the civic block.

There is no chain of responsibility here, a number of deaths have occurred, and the wages paid to civil employees are deficient," he said.

Italy Train Wreck
ROME, April 21.—(AP)—Two Rome suburban trains crashed early yesterday near Ciampino Airport, killing 34 and wounding 150.

Officers were under the impression these areas were under motor traffic.

Alan McFadden, chairman, reported to the Chamber of Commerce council yesterday the commissioners are securing properties in the downtown area for off-street parking.

Commissioners, he reported, have installed 100 meters of concrete. He reported also that revenue from parking meters was being set aside for purchase of off-street parking property.

CRIMINALS Drive Back British Warships, 3 Deaths

Farmhouse Fight Brings 3 Deaths

Farmer, Wife and Child Of Hired Man Are Killed

WAKAW, Sask., April 21.—(CP)—Royal Canadian Mounted Police sought today to piece together the story of a nightmarish farmhouse battle—apparently with axes—that resulted in death to three persons and critical injuries to a fourth.

The dead: Mrs. Katharina Balasky, 29; her six-year-old son Bohdan; and Theodore Adamowski, 48.

Police said Andrew Balasky, about 35, husband of the dead woman, suffered a deep throat wound and a blow on the head. He was taken first to hospital here and then removed to Prince Albert, 40 miles north, where it would be possible for him to receive better medical attention.

FOUND BY NEIGHBOR
The Adamowski farm home was reported to have been left in a "terrible mess" from the death struggle that ensued apparently as the Balaskys were being moved to the evening Tuesday night.

A neighboring farmer, Joe Houtsi, discovered the tragedy early Wednesday morning.

Motive for the slayings has not been established. Police have been unable to obtain any statement from Balasky because of his critical condition. Doctors said he had a slight chance of recovery.

The Balasky family had been brought to this district from Europe with the assistance of Adamowski. He had been employed on the Adamowski farm, residing there with his wife and child.

Mr. and Mrs. Balasky had been in Canada only seven months ago from a displaced persons camp in Germany.

2 AXES ON FLOOR
After Stanki made his gruesome discovery, he hastened to the farm of Arthur Thibault, four miles away, and a telephone call was put in to RCMP.

Two axes and a gun were reported lying on the floor near the bodies. However, it was said that the gun apparently had not been used in the slaying.

Police said Balasky had lost a great deal of blood in the hours that he had been unattended at the farm house.

Police said last night no changes have been laid yet. Adamowski farmed a half-section. He was reported to have a wide reading in eastern Europe.

After considerable discussion, the committee which voted to call itself the "Citizens' Vigilance Committee," resolved to ask the city council to subsidize the proposed civic centre area.

The title, they said, must be sufficiently broad to embrace the building and essential grounds, including parking area.

EXECUTIVE MEMBERS
Executive members of the committee are to approach the municipal council today to request agreement for the submission at the next municipal election of a petition for raising \$100,000, or the amount then considered adequate, to erect the auditorium.

T. D. Baker representative of the Edmonton Elementary Teachers' Association and chairman of the committee, presided.

Gaming House Owners Fined \$200
CALGARY, April 21.—(CP)—Jack Thompson of Calgary was fined \$200 in city police court yesterday when he pleaded guilty to a charge of keeping a gaming house. Some 71 persons arrested in a raid on the gaming house here Tuesday night were each fined \$50 and costs and charged of being found in a gaming house.

U.O.C. FOOTBALL
LONDON, April 21.—(Reuters)—The United Olympic Council (U.O.C.) has announced that it will be the only organization to leave the Metropolitan League.

NOT A TENANT IN SIGHT
NEW ORLEANS, April 21.—(BUP)—A meeting of more than 200 landlords ended in a near riot today. The angry property owners tried to storm the rent control office.

After the commotion had quieted, George C. Bahr, New Orleans rent control officer, stepped out of a side door to his office. Several landlords followed him up to his headquarters, umbrellas and fists under his belt.

Bahr, stunned, was then surrounded and retreated behind his desk, where he supposed his brow with his hands and said:

"I never seen people behave like this before."

Bahr called a meeting to explain the new rent control law. The landlords started shouting, screaming and jeering before he and members of his staff could stop them.

Mrs. Josephine Robinson of Dallas, rent control field representative, said that under the new law a tenant may be evicted on written notice from his landlord and a certificate from the rent area office.

42 Dead, 83 Hurt As Help Is Called

By Arthur Goul

SHANGHAI, April 21.—(BUP)—Communist gunboats blasted two more British warships in the Yangtze river today and the British admiral in London ordered up reinforcements, including the heavily armed and armored 10,000-ton cruiser Belfast from Hong Kong.

New British casualties brought the known list to 42 dead and 83 wounded today when Communist artillery shelled the 10,000-ton cruiser London and the 1,470-ton sloop Black Swan.

DARING AIR MISSION
Men-at-arms British airmen made a daring landing beside the stricken sloop Amethyst and sent a doctor and medical supplies aboard. A giant Sunderland flying boat carried out the mercy mission under Communist fire, and took off safely to fly to Hong Kong.

British authorities reported that a frail sampan carrying a pharmacist's mate from the Amethyst was shelled yesterday by Communist artillery on the bank of the Yangtze, intended to reach the sloop after it landed safely despite intense fire from the shore.

THREW OUT SUPPLIES
The plane's crew threw out packages of morphine and a Royal Air Force doctor leaped aboard the sloop river craft. The Amethyst has the supplies' mate still was about the plane checking supplies when the captain was forced to take the Sunderland into the air as shells sent up guys in the nearby waters.

Officials said that as the Sunderland circled the Amethyst before landing, crewmen were gunned from the river bank trained back on the sloop.

A 25 ft flight was ordered after the two warships had tried to reach the Amethyst, only to be forced back by Communist gunboats.

BREAK-UP ORDERED
The warships, their sides scarred by the Communist shelling, were ordered by the British admiral in London to break off the fight with the supplies' mate and Communist artillery and return to the Amethyst.

Americans And Chinese Flee Nanking

By CHANG KUO-SHIN

NANKING, April 21.—(BUP)—Chinese Communist armies 1,500,000 strong threw a driving force of 20,000 men from the American Embassy today and opened the shovels to crush Nationalist China.

The Nationalist government got in emergency session under a swift developing threat to Nanking and decided to flee by air to Canton, 700 miles to the south.

A Chian report said Generalissimo Chiang Kai-shek might come out of retirement to lead the Nationalist armies of some 500,000 men in their supreme test. He stepped down two months ago to make way for the now collapsed peace negotiations with the Communists.

Along with the government, the American mission in Nanking were getting out. Most of a marine guard from the embassy was flown to Shanghai. The embassy was reportedly considering abandoning Nanking to the Communists to get out.

BACK IN TOWN
J. F. Cooper, general superintendent, CNR, arrived back in Edmonton, today from Winnipeg, where he has been on business.

DUE HERE
C. M. Brown, regional auditor, CNA, Winnipeg, is due in town today.

TO NEW YORK
Hugh E. Pearson, vice-president, Edmonton Chamber of Commerce, will leave this week for New York to attend sessions of the Canada-United States committee of the Canadian Chamber of Commerce.

ARMY PARADE
Loyal Edmonton Regiment will parade at the Prince of Wales square at 8 p.m. tonight. Dress will be white belt, buff dress and puttees.

BUSINESS VISITOR
James Banner, supervisor of United Cigar Stores Ltd., in Alberta, is a business visitor in Edmonton today. He will spend several days here before returning to his headquarters at Calgary.

THREE OFFICERS
Routine inspection of commodity supplies on which federal subsidy payments are made, brings three officers of the Community Prices Stabilization Board to Edmonton today. Investigators, visiting here are R. D. Simpson, F. Gammon and W. Poirier, all of Ottawa.

SOCIAL SLATED
Social for parents and teen-agers will be held at 8:30 p.m. in the Riverside Community hall Saturday, April 23. It will be sponsored by the play-school mothers.

HATS OFF to this pair of youngsters say Winnipeg's 300,000 residents. Teen-agers Donna and Herbert Banatyne are touring Canada as winners of a recent contest for oldest "pure Winnipeg" ancestry. Here TCA stewardess Marie Charbonneau fits them with the bright Balmoral tam-o'-shanters, official headgear for Winnipeg's anniversary week in June.

76 Ancestors Send Youngsters to City

By PAT MEYER

When Norrie West Company fur trader Robert Logan canoed his way to a remote prairie outpost a century and a half ago he was looking a unique legacy into the laps of his great-great-grandchildren.

Today, two of his descendants, 16-year-old Herb Banatyne and 14-year-old Donna Banatyne, making a dream-come-true trip through Canada, thank him for the heritage he gave them.

Robert Logan bequeathed them a fortune in Winnipeg-born relatives. As a result the pair of teen-agers were a century by reason of having the greatest number of Winnipeg-born ancestors—76 of them—as well as the title of "Young Mr. and Mrs. Winnipeg," and a TCA trip throughout Canada.

The contest was sponsored by Winnipeggers to mark the city's 150th Anniversary next June 3 to 11. HERE TODAY "If you're going to put something in the paper about us, could you please say we'd like lots and lots of people from Edmonton to come to Winnipeg for the anniversary celebrations," Herb Banatyne told The Bulletin today. He and his sister reached Edmonton last night, and will be guests of the Rotary Club here. While they are staying at the home of Rotarian Ernie Lewis at Waterbury.

The Banatynes were easy winners in the Anniversary contest. Robert Logan was the original fur trader of the present site of the city in 1801. He returned to the east a year later, and in 1816 joined the Selkirk settlers in their trek West to establish Garry.

Besides the Logans, McDermots and Banatynes were among the Selkirk settlers, and gave their names to several of Winnipeg's first streets. Contest judges threw up their hands when they saw Herb's entry form. It was monstrous in size, because he had listed 76 of his ancestors, all Winnipeg-born, in the Logan, McDermot and Banatyne lineage.

"It wasn't hard to trace the ancestor," Herb said this morning. "All the names and dates and places of birth are listed in our family Bible, right down to the birthday of my youngest sister."

NOT HARD
"I wasn't hard to trace the ancestor," Herb said this morning. "All the names and dates and places of birth are listed in our family Bible, right down to the birthday of my youngest sister."

Summer Exodus Is Underway in City

Harried Travel Agencies Report Long Waiting Lists

Globe-trotting Edmontonians are lining up with hundreds of fellow Canadians for passages overseas.

And with the exodus of summer holidaymakers already drawing, travel agencies in the city are having a pretty grim time handling daily requests for accommodation in Australia and New Zealand, but who have not yet made shipping reservations will be utterly useless when they can wait patiently until next year. It will be January at least before any type of accommodation is available for Australian travel.

LESS CHANCE
Ambitious tourists with Honolulu and the Fiji Islands re-marked back to the old country for Pacific passages than those disembarking at Auckland or Sydney. Glimmer of hope on the horizon is the probable commencement in July of this year, and a Canadian Pacific airline service between Vancouver and New Zealand and Australia.

The "hopeless" situation existing at present would then be considerably eased, if potential travellers can afford the higher air rates. Lamer service from Canadian officials to unsettled conditions in the Far East. So if you do want to go to China, guess it will have to be by that slow boat.

80 PER CENT
Nearly 80 per cent of the travel agents in Great Britain are working to steamship agents, not tourists but people who have not been back to the Old Country for many years, and who plan to see their aging parents for perhaps the last time.

Farmers who leave Canada in September are this year assured of a return passage. Bookings in the United Kingdom and Iceland during the summer months is also reported to be high, and CPAs have long of longer lines for the Yukon, Alaska and the North West Territories.

Northbound travellers are mostly American. Bermuda by Canadian steamship is out of the question unless bookings were made months ahead.

LITTLE RED SCHOOL house problems and those occurring in big city and town schools will receive consideration in 1949 by the key members of the Alberta Teachers' Association executive, Marian Gimby, Edmonton, vice-president, E. T. Wiggins, Didsbury, past-president, and F. J. C. Seymour, Calgary, president. Election of the officers was announced at the final session of the ATA general meeting here yesterday.

Varsity Graduates Here Still Seek Employment

Nearly 400 undergraduates of the University of Alberta are still looking for summer employment.

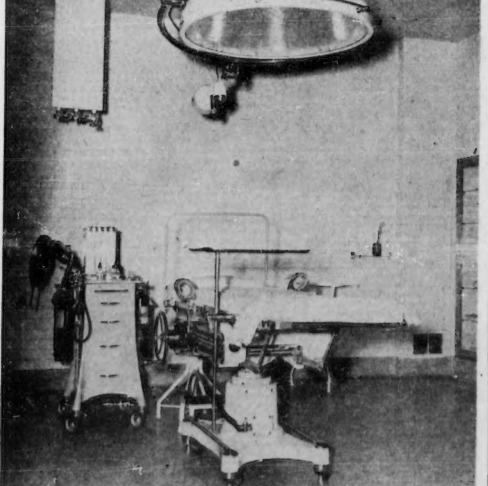

Chamber Asks Traffic Change

Recommendations for elimination of several traffic hazards will be made by the Edmonton Chamber of Commerce to city commissioners.

The trade body is recommending that about 100 street subway at 104 avenue be removed, and that it be replaced by steel posts and wire netting. The substation, which is not part of the subway structure, blocks view of east-west traffic, and is a dangerous hazard, it contends.

Chamber is also seeking elimination of single parking by "long trucks". It is claimed that it is not possible to see all lights on these trucks when parked on streets after dark.

Chamber of Commerce also will seek by-law change to permit right turns on red lights at intersections. It was reported that commissioners are now looking into the possibility of a fourth lane for traffic lights.

OPERATING ROOM of new \$450,000 wing to St. Mary's hospital at Camrose is one of finest in Alberta. Official opening of new structure took place yesterday when leading government and civic officials visited the 50-bed addition. St. Mary's is operated by the Sisters of Providence. See story on page 2.

Gasoline Tax Collection Won't Be Changed Here

Provincial government will not change procedure dealing with aviation gasoline tax rebates. Edmonton Chamber of Commerce requested that instead of collecting 10 cents a gallon tax and rebating nine cents of this tax on application from commercial aviation companies that only one cent tax be collected.

Making the application the trade body spokesman intimated present method militated against aviation development, and also created unnecessary work for commercial companies operating through the Edmonton airport.

Clearing House Figures Gain

Edmonton clearing house figures for this week show a rise of \$1,444,186 over figures for the same week last year. Weekly clearing figures this year stand at \$17,453,429. Total for the same week last year was \$16,009,241.

Military Note
Members of the 36th Casualty Clearing Station, RACMC (RFL) will parade at the Prince of Wales Army tomorrow at 8 p.m. Battle dress with breeches and puttees of anklets will be worn.

NOT HARD
"I wasn't hard to trace the ancestor," Herb said this morning. "All the names and dates and places of birth are listed in our family Bible, right down to the birthday of my youngest sister."

City Street Sweeping Will Be Mechanized

Edmonton's street sweeping operations will be mechanized in the near future. This was announced today by J. D. A. Macdonald, acting city engineer.

Experiment with street sweeper supplied by Austin Western Co. has been very successful, according to Mr. Macdonald.

Orders have been placed for two more of the machine, and delivery is expected next month. This is a start in assembling a fleet of street sweepers.

Mr. Macdonald said the city's streets formerly were cleaned by mechanical equipment, but it was not possible to get suitable replacements during the war period.

'Dinty' Moore Top Citizen

Edmonton's citizen of the year is Robert M. "Dinty" Moore.

Honor scroll awarded annually by the Edmonton Junior Chamber of Commerce to the outstanding citizen of the year, was presented to Mr. Moore at a dinner meeting last night in the Macdonald Hotel. Presentation was made by G. K. Edgar, chairman of the citizenship award committee.

Winner of the award last year was H. R. Miller, K.C. Mr. Moore is Edmonton branch manager of the Mutual Life Assurance Company of Canada.

Mr. Moore was born 40 years ago in Pennsylvania. He was educated in Ontario and was there married to Miss Muriel Harry. The Moores have one son, Guy.

Military Note
Members of the 36th Casualty Clearing Station, RACMC (RFL) will parade at the Prince of Wales Army tomorrow at 8 p.m. Battle dress with breeches and puttees of anklets will be worn.

NOT HARD
"I wasn't hard to trace the ancestor," Herb said this morning. "All the names and dates and places of birth are listed in our family Bible, right down to the birthday of my youngest sister."

FRIDAY... Spring Outfitting Day

FOR CHILDREN, BOYS AND GIRLS
Smart Fashions for Special Occasions
And Back to School

Ample evidence of spring everywhere and with it comes the usual demand for juvenile fashions for special occasions and back-to-school. Easter week provides mothers with an opportunity to—leisurely and with the advantage of the presence of the young parties concerned, to ensure correct fitting.

Children's Sport Slacks
Children will quickly appreciate of these wool and cotton slacks in plain designs in red and brown, green and red or navy and white. Sizes 7 to 12 years. Priced 4.95

Children's Knitted Cotton Sweaters
Splendid weight for school wear. Knitted of cotton yarn in powder blue and white. Round ribbed neck and cuffs. Small and medium sizes. Priced 1.45

Children's Smart Spring Coats
Choice of Several Styles
15.95 to 24.95
Smart spring coats, for little girls 7 to 12 years. Single and double breasted styles... fitted or full-blanks. Some have hoods. Fashioned of fine woolsens in grey, green, wine, blue and cabbage red—also bright plaids. Priced 15.95 to 24.95.

Children's Alpine Jumpers
Serviceable jumpers made of alpaca cloth. Wide shoulders and all around pleated skirt with zipper side fastening. Colors, blue, green, grey. Sizes 7-12. Priced 4.95

Children's Capeskin GLOVES
Dressy little gloves of fine quality capeskin in natural or brown. Pull-on style. Nips 1 to 1. Priced 2.25

Children's Summer gloves
Children's Summer gloves in pull-on style of white rayon. Sizes 1 to 7. Priced at 1.00

Boys' Spring and Summer SPORTS SHIRTS
Right now is a good time to replenish boys' sport shirts. We are now showing them—in several different qualities for sports or casual wear, in the Boys' Wear Dept., Centre Main Floor.

Boys' Spring and Summer SPORTS SHIRTS
A—Cotton repp sport shirts, short sleeves, one pocket, sanforized shrink, in grey or navy on natural light blue and white grounds. Sizes 8 to 14. Priced 2.25
B—Long-sleeved sport shirts made of guaranteed washable rayon and cotton material, two pockets, satin-lined yoke, convertible collar, plain. Sizes small, medium and large. Priced 3.50
C—Short-sleeved, sanforized broadcloth sport shirts, satin-lined yoke—pale motifs in lawn, maize and grey grounds. Guaranteed washable. Sizes small, medium and large. Priced 2.50

Coal Men Object To Gas Pipeline

Disorganization of Mine Industry Said Likely Result

CALGARY, April 21.—(CP)—Export of natural gas by pipeline from Alberta to other Canadian cities has served by coal, would disorganize the Alberta coal industry. V. A. Cooney, secretary of the Western Canada Domestic Coal Operators' Association, said yesterday.

In an address before the annual meeting of the organization, Mr. Cooney said pressure was being put on the moment for pipeline export of natural gas from Alberta.

RESEARCH URGED

"The effect of this would be the disorganization of the coal industry of Alberta," he said. "On the one hand, research and reduction of imported coal, would help maintain a healthy coal industry that was vital to national defence."

Aside from the threat of gas export, Mr. Cooney said "only public pressure" was needed to make the outlook for Alberta coal bright. He said closing down of some mines for periods this spring due to lack of orders should not cause anxiety. There was always threat of a summer slack because consumers failed to take part of their winter orders during the summer.

AID TO ECONOMY

He termed coal the major "long range source of energy" supplying half the country's energy needs and contributing \$40,000,000 to the provincial economy in 1948. Coal provided a \$20,000,000 a year payroll, employing 5,000 workers. Mr. Cooney said that imports of United States coal used up \$20,000,000 worth of United States dollars when Canadian coal could be used to develop a healthy Canadian industry.

It is too late once an emergency arises to build a coal industry," he said. "For this reason alone nothing should be allowed to interfere with the development of coal."

EMERGENCY CITED

Coal is the most dependable source of energy under emergency conditions. Lack in many well-suffered areas. Its availability could not be disturbed as easily as fuels transported by pipeline. Representatives of the province with 3,000,000 tons production a year, are attending the meeting. Community representatives are Drumheller, Letbridge, Edmonton, Merced, Foothills, Alex, Saunders and Carleton.

Tawasis Club

FRIEND AND HELPER

Tawasis Show Talent In Coloring Contest

Dear Tawasis:

The coloring contest is over and the prize money will be in the mail tonight.

Prizes were \$3.00 for first, \$2.00 for second and \$1.00 for third.

Winners are:

Seven years and under group: Diane Hottel, R.R. 4, North Edmonton, first; Beverly Thomas, Harewood, second; Penny Fisher, 1230 50 street, third.

From eight to 12 years: David Killip, 1185 78 street, first; Charles Holder, 1133 79 street, second; Jerri McRide, 420 35 street, third.

Twelve and over: Peter Maplebeck, 1087 74 street, first; Norma Powers, 1185 78 street, second; Rita Knight, 1137 87 street, third.

THEATRE PASSES TOO

There were so many entries, and so well colored that we are giving away 12 single passes to the Empire Theatre in addition to the prize money. We put all the names of contestants in a box, pulled them out and had Little Chief pull out 12 names. Here they are, and the tickets will be in the mail tonight.

Other Newhouse, 1031 110 street; June Peters, 1030 130 street; Mrs. Dennis 504 Rowland Road; Jimmy English, Vermilion; David Taylor, 1008 127 street; Gerald Davison, 1032 146 street; Frank Nisio, 1746 Fort Road; Michael Bowles, 102 106 street; Ronald Bowie, Hut 15, Suite 4, Wales Apartments; Phyllis Mulvey, Vancouver; Loraine Cowley, Saunders; Lou Seaton, 1181 106 street.

We want to wish the new club members who entered the contest, and to those of you who

BURGESS BEDTIME STORIES

By Thornton W. Burgess

When Peter Rabbit told Big Tom Gobbler who with Mrs. Gobbler had just come to the Green Forest, about Old Man Coyote and how smart he is, Big Tom at once began to be very nervous. He acted as if he expected to see Old Man Coyote spring out from behind a tree any minute. But Mrs. Gobbler expressed a doubt about the wisdom of saying in such a neighborhood. Right away, she said that he had made a mistake in speaking so strongly about Old Man Coyote. He had done it with the best intentions in the world. He had done it to put Big Tom on guard. Now it looked as if Big Tom might leave and this was the very last thing Peter wanted to happen.

COYOTE IS SMART

"If you're not afraid of Granny and Reddy Fox, I don't think you need to fear Old Man Coyote," Peter hastened to say. "Of course, he is some animal, but he is a little bigger and stronger, but anyone who can keep out of the clutches of Granny and Reddy Fox ought to be able to fool Old Man Coyote. As I said before, he hasn't caught me yet, and he has tried times enough, goodness knows!" Peter grinned, and Big Tom's eyes began to twinkle a little, although he still looked a bit anxious.

"I wouldn't be afraid if I knew the country better," said he. "This is a strange place to me and I have got to learn all about it before I can know what to do and what not. If you are too smart for Old Man Coyote, I ought to be, but until I have become better acquainted here I cannot feel easy. I know all about foxes and they don't worry me, I've been hunted by them all my life, but here I am, and somewhere about here is Mrs. Gobbler. I must find her and tell her about Old Man Coyote. I don't know about trying to bring up a family with so many dangers about. Are there any more of those-legged creatures with terrible claws?"

Peter hesitated. He was afraid that if he said yes that this would settle the matter and that Big Tom would decide to move on somewhere else. Then a happy thought came to him. He knew that hunters with terrible guns no longer hunted in this part of the Green Forest, or on the Green Meadows because of Farmer Brown's boy who had pointed signs and traps. Now he warned hunters away. He didn't know what the signs meant, of course, but he did know that during the last hunting season the hunters had kept away although they had hunted and hunted on all the land around Farmer Brown's. So he hastened to explain.

"As long as you stay here you are perfectly safe from hunters with terrible guns," said he, "but anyone else you will be in danger from them in the fall. They used to come here, but they don't anymore. Farmer Brown's boy won't let them."

ANIMALS' BEST FRIEND

"Who is Farmer Brown's boy?" demanded Big Tom, suspiciously. Peter told him. "He is the best friend we've got," he ended. Big Tom scratched his head and said, "That sounds a good deal like the very one who opened the box and let Mrs. Gobbler and me free," he said. "If that is the case I guess we'll stay. Old Man Coyote may be dangerous, but

Birthday Greetings

Birthday greetings for Joan Hall, 97, of 808 106A street, who was seven on April 9. She likes playing with dolls right now, but plans to join the Salvation Army and be a big girl. Joan tries to help her mother around the house, and is especially good at making the beds.

Best wishes go to Marvin Housh, Hardisty, Alberta, who was eight years old on April 12. He likes living on a farm where there are lots of animals to play with, and goes to the Hardisty school. Marvin is interested in music and has been singing all kinds of songs.

Specially chosen for his mother taking Marvin Brunson. The rest of his party taken up reading or playing with his brother.

didn't win, better luck next time. Sincerely,

Elaine Page

Poland Threatens On Art Treasures

Will Take Steps If Canada Does Not Give Up Collections

OTTAWA, April 21.—(CP)—The Polish government last night threatened to take steps to obtain "complete moral and material satisfaction" if Canada did not return the Polish art treasures.

A 1,300-word note handed to the external affairs department and addressed to external affairs minister Pearson, the Polish government demanded an immediate return of the fabulous treasures, brought to the dominion for safekeeping during the Second World War.

HELLO BY DUPLESSIS

The note, presented by the Polish minister, E. J. Mikulski, charged that since the treasures were mostly in the hands of Premier Maurice Duplessis of Quebec, the international responsibility for the works of art "devolves upon the Canadian government."

It added further that "until all the Polish collections have been handed over to the Polish authorities, the Canadian government will bear full responsibility for their fate, condition and protection."

The external affairs department had no immediate comment on the note. External affairs minister Pearson was absent in London, attending the Commonwealth conference of prime ministers.

CANADA SAYS SUE

However, it was believed the department would hold a previous statement that Poland—A Soviet satellite country—must take its case to the Canadian courts.

Most of the treasures, meanwhile were still believed to be housed in the Quebec provincial museum.

The note, made public by the Polish embassy, said the Polish government "reserves the right to take all further steps in order to safeguard their rights and obtain a complete moral and material satisfaction."

The works of art, valued at several millions of dollars, contained the sword and coronation robes of Polish kings, suits of armor and historical banners, Chopin's manuscripts and tapestries woven in gold, all of which had been part of a museum of art in the Polish castle of Wawel, Krakow.

LONG CONTROVERSY

Ownership of the treasures has been the subject of controversy since Poland claimed them in 1946 and fed into the Communist orbit. The new Polish government claimed it had the right to

CURTAIN TIME

CAPITOL — "A CONNECTICUT YANKEE IN KING ARTHUR'S COURT." Features at 12:35, 2:30, 5:05, 7:05, 9:10.

RIALTO — "FAMILY HONEYMOON." Features at 1:30, 3:30, 5:30, 7:30, 9:30.

EMPRESS — "SON OF GOD'S COUNTRY." at 11:00, 1:30, 4:00, 6:30, 8:56, "MELODY TIME" at 12:20, 2:40, 5:10, 7:30, 9:10.

STRAND — "GRAND CANYON TRAIL," and "BOSTON BLACKIE'S CHINESE ADVENTURE."

As the RCMP were about to swoop down on them, the treasures were transported in trucks to the Quebec provincial museum, where Mr. Duplessis said they would remain until the ownership was rightfully established.

Canadian War Hero Dies In Toronto

TORONTO, April 21.—(CP)—Dr. Harold Winter, 37-year-old Toronto surgeon and one of the heroes of the Coventry, Eng. blitz during the Second World War, died yesterday.

A graduate of the University of Toronto in 1926, he was recognized from the King for his heroic evacuation of patients from the Coventry and Warwickshire hospitals in 1940 during the German bombings.

Ownership of the treasures has been the subject of controversy since Poland claimed them in 1946 and fed into the Communist orbit. The new Polish government claimed it had the right to

Inside Hollywood

By Bob Thomas

HOLLYWOOD.—(AP)—When Shirley Temple reaches 21 this Saturday, she starts receiving some of her childhood wealth, including \$11,000 she won for proving she wasn't a midget.

She earned the \$11,000 as a child star after an English sugar bread. The off-the-record rumor that she was a midget.

"Not only that," Shirley related, "but they also said I was 30 years old and the mother of a child. Imagine!"

Since this was bad publicity in her first pictures, she sued. The English paper sent a reporter to find out if Shirley was really a midget. The little man followed me around for about a week until he finally decided I wasn't a midget. We won the suit but I wasn't to get the money until I came of age. I think now I'll leave it over there and spend it on a trip some day."

DROP IN BUCKET

Of course, the \$11,000 is but a drop in a golden bucket compared with the other money stored in trust funds for Shirley. Sounding her out, I guessed the sum was over \$100,000.

"I don't think so," she answered coolly. "You see, all of the money I made was put in a trust fund by Fox Studio. When I broke my contract, I didn't want to give them any more, it was paid over in a lump sum at 18 cents on the dollar. That was when my father almost had a nervous breakdown."

Mr. Temple then took over control of Shirley's finances. As it stands now, she has a series of trust funds that mature every few years "until death."

She'll never have money worries. She and husband John Agar have been working regularly in films for stable salaries. And they don't live high.

"I'm the tightest person I know," she confessed. She told of the two biggest fetters she got as a new-wed when she was quizzed as to why she had married John. She has since increased it to a more realistic figure.

Shirley now is starring in the Seabiscuit film, "Always Together." She expects to spend her 21st birthday as she has most of the others working. As yet, she has no plans for a party.

This Saturday Shirley is 21, and so as many references state, she explained, "When I started at Fox I was five, but they wanted me to be seven, so they pulled me back to four."

Russians Refining Uranium In Reich
BERLIN, April 21.—(Reuters)—Russian authorities have opened a uranium smelting works at Siegen-Wehr, near Cremlen in Saxony. The British-controlled newspaper Die Welt reported yesterday. Uranium ore previously mined in the Soviet zone of Germany has been exported in its raw state.

FRESH SNOW on high slopes Tuesday night has made ski conditions good at Jasper Park. Snowmobile is used by Athabasca Motor Tours to transport skiers to the snow timber line on covered playground on top of Signal Mountain. Regular trips are made Wednesdays and Sundays and special trips may be arranged at any time. —Photo by Harry Row.

Lacombe Students Present Operetta for Three Nights

LACOMBE, April 21.—Assembly hall of the Lacombe high school was filled each of the three nights last week for the operetta, "Joan of the Nancy Lee." Fifty-four students took part in the presentation.

Under the capable guidance of Miss Mary McEachern, the pupils had practised for weeks and the enthusiastic reception by the audience was ample proof their efforts were appreciated.

For costumes, make-up and general stage effect, the production had never been exceeded in school production here.

Raymond Grant, 13, who took the lead as captain of the ship, impressed with a very promising young voice. Opposite him as the leading lady was Ellen Suberland, 17, and who as usual gave some splendid solo renditions. Outstanding on the dramatic end of the operetta was Leonard Bonds, who gave a natural and pleasing performance as Bill Bloddy, a pirate.

Mrs. C. Sharpe and Miss E. Tufts deserve high praise for their handling of the musical score, the shop class for building a "ship-like deck" and the dramatics class for the construction of stage properties and background. Mrs. W. M. Sutherland and Miss Barbara Macdonald were accompanists.

There were lighting, costume and make-up crews and altogether it was a co-operative effort of which all who had a hand in can be proud.

Dawson Creek Close To Quota For Red Cross

DAWSON CREEK, B.C., April 21.—Dawson Creek's Red Cross campaign quota set at \$2,000 has almost been reached. At last report the sum of \$1,845 had been collected, leaving only the relatively small amount of \$155 to reach the objective before the close of the campaign on April 28. It is expected that the quota will be exceeded as last year.

Institute Plans Demonstration

MILLET, April 21.—Winesford Women's Institute met at the home of Mrs. Robert Arncliffe last week. Final arrangements were made for the demonstration by Miss Norma Smith on May 3 at the home of Mrs. Arncliffe.

The handicraft cup, won by the Winesford WI, is being displayed to the various members. Donation of \$100 was voted for the Cancer Fund and Red Cross.

Paper "Should Weever Be First" was given by Mrs. E. H. King. The social evening conducted by Mrs. D. Meyers was won by Mrs. C. Hall and the white elephant by Mrs. E. H. King.

C of C Approves Change Of Name

SYLVAN LAKE, April 21.—At the last regular meeting the Chamber of Commerce approved changing the name to Chamber of Commerce and Agriculture. Dwight Sawyer will be chairman of the agricultural section. The Chamber is asking postal authorities for a better service to the rural districts.

Bellis District Work Delayed

BELLIS, April 21.—All through this area, farm lands are dry, with the exception of some low-lying spots. A few farmers have started their spring work. Harry Ungarian, who lives one mile south-west of town is seeding this week. Some rain fell in this area last night, accompanied by a strong wind.

DISTRICT NEWS IN BRIEF

School Festival Plans Advanced

HARRY HILL, April 21.—Arrangements are well advanced for the sixth annual musical festival of Two Hills School Division scheduled this year for the third week in May.

SYLVAN LAKE TREBLES IN EIGHT YEARS

—The town that trebled its population in less than eight years, continues to progress. New buildings for 1943 include additions to the Lakeview Garage, owned and operated by J. A. Untinen and the Kaitano furniture store as well as 60,000 bushel elevator for Alberta Wheat Pool. The fine new home of R. C. Watkins on Main street is nearing completion and will be one of the most modern in the town.

School Loans Are Authorized

Loans of \$81,000 are authorized for two school districts in Alberta, according to a government announcement made today.

Leo Ste. Anne School Division now has the authority to borrow \$51,000 to be used to build new schools at Rich Valley, Oxbow and Blue Ridge.

A \$30,000 loan had been approved for the Rocky Mountain House School Division to build a teacher's age at Lethbridge.

Easter Service Features CGIT

VETERAN, April 21.—An enjoyable Easter service was held in the United Church on Sunday afternoon. Rev. Foster delivered an inspiring Easter message. Thirteen members of the CGIT under the direction of their leader, Mrs. K. Thullen presented the Easter Story in words and song.

Cellulose sponges, made from specially treated wood pulp, will absorb 30 times their dry weight and still float.

EDMONTON BULLETIN, Thursday, April 21, 1949

THREE TOWNS UNITE FOR GOLF PROJECT

RYLEY, April 21.—Golf Club has been formed at Ryley, with the towns of Holden and Tofield co-operating. Eighty acres of suitable land has been acquired, just one mile south of Ryley and construction of the course has been commenced.

A regular golf course mover has been purchased and every effort is being made to provide one of the best courses in Canada.

Anyone interested in a membership to the club should contact any one of the following officers: President, Gordon S. Magee, Ryley; Helmar H. Moon, Ryley; E. O. Pedersen, Tofield; Richard Mulcaster, Ryley; Vic. Taygeen, Ryley; or P. Blake, Holden.

Volunteer Work For Red Cross

SYLVAN LAKE, April 21.—Work committee of the Red Cross has purchased supplies to make a series of baby layettes. The work will be done by volunteers at home.

Miss Valerie McIntosh, who recently graduated as a laboratory technician at Minneapolis, has accepted a position with one of the leading hospitals in Wenatchee, Wash.

Botha Curlers Plan Rink Changes

BOTHA, April 21.—General meeting of the Botha Curling Club was held in the rink last week. The financial report was given by the secretary, H. W. Fisher, and showed a nice profit for the season. Considerable discussion took place re repairs and alterations to the rink.

It was decided to enlarge the spectators' gallery and to remove the centre walk in the rink and replace with a walk on each side. The committee of J. B. Groves, Jas. Anderson and Mr. Crutcher, who were appointed to obtain cost of the work.

Bawlf Residents To Visit Norway

BAWLf, April 21.—After the Easter Norwegian service held in the Lutheran church on Easter Monday a farewell was held to home Mr. and Mrs. T. E. Anderson, who leave shortly to spend a holiday with relatives in Norway. Rev. Stoen presented a gift of silver on behalf of the friends.

Deaths reported of Mrs. Bety Olson of Canmore, formerly of Bawlf, at the home of her daughter, Mrs. K. O. Egeen at Hazy, B.C.

Missing Papers Are Recovered

HINES CREEK, April 21.—Section men clearing the railway yards April 16 came upon a bundle of papers missing since the robbery of the Treasury Branch Agency safe last September 16. Andrew Warratt, sectionman, turned the documents over to the RCMP. Frank Pratt of Highland Park district has almost completed his sealing operations. He was the first in the district to begin spring work.

Camrose Opens New 50-Bed Hospital Wing

CAMROSE, April 21.—Formal opening of the new 50-bed addition to St. Mary's Hospital here took place yesterday afternoon. Hugh Haged as chairman for the ceremony.

Taking part in the official opening were Mayor R. H. Hume; Miss Rev. J. H. McDonald, Roman Catholic Archbishop of Edmonton; Russell Bewes, reeve Municipal District of Camrose; Dr. M. G. McCollum, Edmonton; Dr. P. E. Smith, Camrose; N. A. Umack, president Camrose Board of Trade and Mrs. B. G. Byers of Laidlaw Hospital Guild.

Cost of the new wing, including furnishings and equipment, is approximately \$250,000. Original hospital, of which the new wing now forms a part, was built in 1924 and has served the Camrose community ever since. It cost only \$100,000. St. Mary's hospital is operated by Sisters of Providence.

By STAN MOHER, Sports Editor

The Talent Comes High

Pull up a chair, kids. It's the story hour. They're telling one on Marty Burke, the gent who came out of the muckholes to take over from Jack Arbour as coach of Calgary Stampeders this past winter.

It seems that Burke, while on a recent scouting trip to the east, stopped off at Kirkland Lake to talk turkey with a goalkeeper he had good reports on.

The preliminaries dispensed with, Burke and the netminder soon were down to business... money business, that is. Finally the Calgary coach made with his pitch.

"We'll pay you \$150 per week," he announced somewhat expansively. The fellow on the other side of the table never blinked an eye. Instead he came back with:

"And what job besides goes with this offer?" Imagine Burke's surprise, particularly as the netminder in question still is at junior age.

No. He didn't sign the young hard-to-get.

Heartbreak at the Races

Then there's the one a local citizen (he prefers, for obvious reasons, to remain anonymous) is telling on himself.

It happened a few years ago at the races in Vancouver. Night before the particular day in question our anonymous friend had pored for hours over the entries.

Finally he had selected his horse for the daily double. Next afternoon his handicapping stood the test right off. The nag of his choice romped home in the first race.

In his own mind this meant that he was pretty well out of the woods. The second looked made to order for Streamline, the horse that had come to the top in his exhaustive study the previous night.

So with a fond "see you in a few minutes, dear, gotta go bet Streamline," to the little lady, he headed down out of the grandstand.

You know what happened, though. Halfway to the ticket he ran into a trainer who just knew that "Hominny Imp can break a leg and still win this one."

So, of course, he went to Hominny Imp. As he now puts it, "This one hasn't come in yet. Streamline won in a high gallop and the daily double payoff was \$652."

To make matters worse, his wife, at first disbelieving, refused to speak to him the rest of the day.

Confoosin', Wasn't It?

And finally a yarn about Leo Reise, the onetime Western Canada Hockey league star whose offspring, Leo Jr., likewise has turned out to be of major league calibre.

It appears that midway through the puck-season that's currently dragging on and, on Reise, Sr., was enticed out of retirement in the role of coach.

Truth to tell the former Saskatchewan Sheik, who now lives in Ontario, hadn't been inside a rink for close to 10 years. During his playing days he had had his fluke.

The old lure was gone. However having agreed to take charge he headed into town from his nearby farm. Once at the rink he strapped on his old blades and shortly was on the ice.

The players noticed their new coach gazing about him curiously but the full import of his curiosity wasn't brought home to them until he called them all to the centre of the ice for a talk.

"Say, don't they ever flood this ice? First thing we'll have to do is get those curling marks off here."

Return-Reise was having his first look at the circles, red-line and other marks that have come to grace a sheet of hockey ice since his day.

Loftus, L'il Arthur Not in Same 'Canoe'

Toronto's L'il Arthur King, Canada's outstanding lightweight boxer, likely will never get a shot at the world's crown in that division because he happens to be a stablemate of champion Ike Williams.

Edmonton's Buddy Loftus, one of western Canada's up-and-coming young players and newly-appointed assistant to professional Henry Martell at the Highlands golf course, doesn't face any such problem, however.

For when tournament time around this summer he'll be out to beat the 'boss' in both the city and Alberta opens and perhaps the Saskatchewan meet.

Loftus has been getting in some early links out in Vancouver, from whence he returned last week-end. He had some pretty fair scores while he was at it.

Playing at the Marine Drive layout, a course somewhat similar to Highlands in that both are fairly flat and border a river, he turned in a one-under-par 71 in his first crack and then wound up with twin 77s in a 36-hole session last day.

Buddy paired up with Bob Kidd, former city junior champion, in one of his coast rounds and also played with Bill MacIntyre and Roy Roland. MacIntyre's apparent success as top junior in Vancouver. Just turned 18 last Sunday.

Loftus is picked by many as the next junior champion of Canada. Loftus says the youngster is close to par all the time now.

Stan Leonard, well known here through several battles with Martell, and often rated as Canada's top professional is having trouble. Buddy reports Leonard has been tinkering with his game for more than a year and is trying hard to hit his former stride.

Other coast golfers known here, including Fred Wood and Ben Colt, still are going strong and looking forward to summer seasons.

Getting back to the local front, the time is rapidly approaching when the annual inter-club matches will be underway.

Highlands, winner of the three part test for the last several years, will be bucking tough competition again this year from Martell, Country Club and Municipal.

Matches open May 5 and continue on the 13th and 20th of the month.

Detroit Rookie Setting American League Afire

DETROIT, April 21.—(BUP)—Muscular Johnny Groth, tabbed the most promising big league rookie since before the war, made a Detroit Tiger victory his own personal achievement for the second day in a row yesterday when his eighth inning grand-slam homer beat the White Sox 5-2.

Tuesday, in Detroit's opener, Groth hit two homers as the American loop Tigers scored a 5-1 triumph over Chicago.

Groth also had a single and double for yesterday's production, driving in all five of the Tiger tallies. Right-hander Virgil Trucks, who was behind until Groth's

clout, pitched well enough to win, holding Chicago to four hits including a double by Joe Tipton which drove in both White Sox runs.

Tommy Henrich had his home run bat in tune for the second day in a row at New York, too, driving a line drive into the stands that gave Vic Raschi all the help he needed for a three-hit, 3-0 victory over the Senators.

Yankees even pulled a triple stall with Bobby Brown on the business end and with "Yogi Berra and Dick Kyburh" on the other highways.

Abilities made it two victories in a row over the pennant-favored Red Sox, winning 5-2 at Philadelphia in the 10th inning when Jim Chapman landed with the bases loaded after a single by Elmer Vane and successive error by Johnny Pesky and pitcher Ellis Kluender set up the rally. Joe Cavanagh went all the way to win, although yielding 10 hits.

Indians came from behind at St. Louis with a pair of three-run rallies to give Bob Lemon his first victory of the season, 7-3, over the Browns. Lemon was tagged for homers by Dick Koks and Jack Graham, but the late rallies pulled him through. Thurman Tucker led

Kings Steal Buff Thunder

BRANDON, April 21.—(CP)—Two thousand raucous hockey fans gave Brandon Wheat Kings and Calgary Buffaloes a rousing reception when the two Western Canada junior finalists arrived here yesterday for the fourth game of their title series, to be played tonight.

West Kings, holding a 2-1 edge in games in the best-of-seven playoff round, stole the thunder of their western rivals by wearing cowboy hats.

Captain Lorne Carr of Buffs put his team through a workout last night at the Wheat City Arena. It is expected Calgary will present some line-up changes for Thursday's game.

"We all think we can beat Wheat Kings and, with a few changes in our system and strategy, we can come back," Carr said. "Our boys have shown that they can take them. We'll be out to deadlock the series Thursday."

Captain Bill McKenzie, like Carr, said his team will be ready to stand pat on the lineup which was played throughout the Manitoba playoffs and the subsequent series with last year's Memorial Cup champions, Port Arthur Bruins.

Brooklyn made the most of four hits to top the Giants again, 6-5. Ralph Brancaccio also gave up four hits in his first start, but better than the Dodgers that many expected.

60 YEARS OF ACCOMPLISHMENT

1889 1949

In the years following 1889, the nickel came to mean much more than a small piece of metal. For the first time, people began to see the necessity, and a demand arose for better roads. The development of automobile transportation in the present century was made possible by further expansion of our highway system and the use of nickel alloys for important parts of automobiles. The use of these stronger, tougher alloys greatly reduced breakdowns and made the automobile safe and reliable.

How Nickel Benefits Canada

Since more than ninety per cent of the Nickel produced in Canada is sold to the United States and other countries, it brings a constant flow of dollars back to Canada. In fact, Canada's Nickel industry is one of our chief sources of U.S. dollars so essential at the present time to maintain our foreign trade and make available products not produced in this country.

These dollars help pay the wages of the 14,000 Nickel employees, and help provide the dollars which make it possible to pay millions in freight to Canadian railways, to buy timber, steel, coal, machinery and supplies amounting to many millions each year. These millions, flowing into all industries through the length and breadth of Canada, help create jobs for Canadians.

CANADIAN NICKEL

FIRST PRODUCED IN CANADA IN 1888

International Loop Swings Into Action

NEW YORK, April 21—(AP)—The International Baseball league gets its 60th consecutive season underway today with all eight teams scheduled to play.

Montreal's champion Royals begin defense of their title at Baltimore. Other games are Rochester at Jersey City, Toronto at Newark and Buffalo at Syracuse.

Newcomer, last Negro right-hander, has been selected to pitch the opener for Royals. Newcomer, who won 17 and lost six for Montreal last year, rejoined the club recently after a brief visit home.

Byron Stephens, a right-hander who won three and lost six for the parent St. Louis Browns last year, will be Newcomer's opponent.

Oscar Judd, veteran left-hander from Imperial, Ont., has been nominated to open for Toronto against the Bears at Newark.

Eddie Blake, promising right-hander, is manager Johnny Kenna's choice to start for Rochester against Jersey City. Blake captured seven and dropped six last year. Elford Smith, Negro right-hander, is Wes Bailey's pick for Jersey City. Smith is one of three Negroes

on the Jersey City team. Others are Monte Irvin and Henry Thompson, former St. Louis Browns.

Four managers will be making their debuts in the circuit. They are Kenna, Kenna at Toronto, Joe Becker, Jersey City, and Buddy Hassett, Montreal. Holdovers are Clay Hopper at Montreal, Jewel Egan, Syracuse, Tommy Thomas, Baltimore, and Paul Krichard, Buffalo.

Take care when you say "Wings of Song"

"Wings of Song"

Toronto Argos to Bolster Stock With U.S. Imports

TORONTO, April 21—(CP)—Toronto Argonauts, last all-Canadian club in senior football, will import its full quota of five United States players next season. Tommy Allison, president of the Interprovincial Union club, announced plans to bolster the team at a press luncheon yesterday.

"We will import two big ends, a triple-threat quarterback and two middlemen," Allison said. "We hope to get them from Cleveland Browns, champions of the all-America Professional league."

The Argonaut president denied reports that his club had signed a working agreement with the Browns. Any dealings with the

professional team would be "on a friendly basis only."

Argonauts slipped to third place in the I.P.F.U. last season after winning the Grey Cup two years in a row with an all-Canadian lineup.

Allison said Joe Krol and Royal Copeland, backfield stars of the two dominant championship clubs, would be back next season. Running back Doug Pryor, who left Argos for Toronto Beavers Indians of the Ontario Rugby Football Union, would also return to the Argos.

The club hoped to open the season with an exhibition game against Calgary Stampede, 1948 Grey Cup champions, at Toronto's Varsity stadium, "if present plans materialize."

Allison planned to send coach Ted Morris and assistant coaches Steve Levasse and Bob Coughlin to a football clinic held by Browns' coach Paul Brown at Cleveland next month.

"Brown has told us he has 60 men trying for the 32 places available on the Browns," he said. "Players released by the Browns would be eligible for drafting by other clubs in the league. Those passed up by the Browns would be available to Argonauts."

Allison also announced that Ogie Soltes, head coach of Springfield college, would help Argonaut coaches drill the team in American-style blocking and interference at the club's spring training session early in May.

"ABE" ABOVSKY

Breath pressure in guns used for hunting or sport and trap shooting registers from 10,000 to 11,000 pounds per square inch.

Central Alberta Baseball League Now Eight Strong

LACOMBE, April 21—An enlarged Central Alberta Baseball league was formed here last night. Eight teams entered the circuit, two more than were in the loop last year.

As it stands now Red Deer, Lacombe, Stettin, Barrow, Beaulieu, Clive, Ponoka, and Eckville will swing into a 26-game schedule per team May 15. Playoffs will get underway Aug. 15 with the first and fourth teams battling in one series while the second and third place clubs meet in the other semi-final bracket.

There were 20 delegates and team representatives present at the meeting. Abe Abovsky was elected president, Jack Kelly secretary. Both are from Ponoka.

The league plans no hook-up with any outside organization. "We are not going to monkey around with amateur affiliations," Kelly said.

FRIDAY STORE HOURS 9:30 A.M. to 5:30 P.M.—DIAL 914

White Satin, Lace For Recent Bride

Florence Doreen Hodgson Weds
John O'Leary at Holy Trinity

Altar of Holy Trinity Church was banked with Easter lilies and spring flowers recently when Florence Doreen Hodgson and John James O'Leary were united in marriage. Rev. W. M. Naimby performed the ceremony.

The bride is the daughter of Mr. and Mrs. C. C. Hodgson and the bridegroom is the son of Mrs. James O'Leary and the late J. J. O'Leary, all of Edmonton. The bride's gown of white lace and short sleeves. The groom wore a tuxedo with a white shirt and a white bow tie. The ceremony was held at 11 o'clock.

For jewelry she wore a blue diamond and she carried a bouquet of Easter lilies. Attending the bride were Mrs. Jack Hodgson, mother of the bride, and Mrs. Jack O'Leary, mother of the groom.

Grand Honors To LOBA Member

Grand Honors were awarded to Mrs. J. Murray, an honorary member, at the last regular meeting of the Loyal Orange Beneficent Association.

Members were asked to bring a fair overseas food parcel to the next meeting.

Entertained with a three-tier wedding cake and a buffet lunch. The bride and groom were seated at the head of the table.

For her daughter's wedding, Mrs. Hodgson chose a grey crepe afternoon model with yoke of grey lace over pink. She wore matching accessories and a corsage of pink roses.

Max O'Leary was in a blue jersey ensemble complemented by a white hat with floral trim and a corsage of red roses. The couple will live at Red Deer.

Easter Lilies Form Wedding Background

Easter lilies, intermingled with other spring flowers, formed the seasonal decoration in Mc Dougall United Church Monday evening for the wedding of Sheila Vivian Scott and William M. Howson.

Rev. Wesley Hutchinson presided at the ceremony which united the third daughter of Mr. and Mrs. Harry Scott and the only son of Mr. and Mrs. W. H. Howson.

Wedding gown of deep cream satin was chosen by the bride, who was given in marriage by her father. The fitted bodice was styled with a net yoke and illusion sleeves, while the full skirt featured a peplum and short train.

Delicate old lace fashioned the bride's veil, which had been worn by the bride's maternal grandmother at her wedding, nearly 60 years ago. To complete her costume the bride carried a bouquet of deep red roses.

Miss Evelyn Scott was her sister, only attendant. Bridesmaids in shades of pink and gold were in pretty contrast to her short-sleeved dress of turquoise moire taffeta, worn with matching lace mittens.

Mrs. Howson was gowned in navy, with a corsage of red roses. Reception for 300 guests was held at Avenir hall, where the bride's table was decorated with gold and green. Crystal vases of spring flowers flanked a three-tiered wedding cake, embedded in gold tulle.

Bridal toast was proposed by Mr. and Mrs. Howson will reside in Edmonton.

SPRING PARADERS in Hollywood include Amanda Hauer, wearing a white dress and hat, and actress Diana Lynn, also flaunting her name. She wears a cloud grey suit and a white blouse. Both models are shown in a studio setting.

You're SURE when you shop SAFEWAY
